ANGEL AIR

Product Highlights

A micro dry odor freshener that masks foul odors at their source. **ANGEL AIR** is chemically engineered to provide more hang time to keep the area fresh, clean and odor free. The micro dry formulation eliminates oily overspray commonly found in most metered aerosols in the market place.

NET WT. 7.25 oz. (205 grams)

Directions For Use

STANDARD USAGE: Place aerosol dispenser refill in metered dispenser. Controls odors for up to 4,000 cubic feet. Emits pre-measured dosage every 15 minutes for up to 30 days. Each can contains 3,000 metered releases.

MANUAL USAGE: Press once to release. Appropriate dosage is instantly dispersed. Repeat if necessary.

Precautionary Statement

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wash thoroughly after handling. Wear eye protection/face protection. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Dispose of contents and container in accordance with all local, regional, national and international regulations.
