May cause skin & eye irritation. Harmful if
swallowed. See other cautions on side panel

DANGER
Causes Skin Irritation
May cause an allergic reaction

If Swallowed: Rinse mouth. Do NOT induce vomiting. **If on Skin:** Wash with plenty of soap and water. Wash contaminated clothing before reuse. If skin irritation occurs, get medical advise/attention. **If Inhaled:** Remove person to fresh air and keep comfortable for breathing. **If in Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a doctor.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.

Additional First Aid Measures

Never give anything by mouth to an unconscious person. If you feel unwell seek medical advice. (show the label where possible). See Precautions above and Safety Data Sheet for additional information.
