

## **RUST ERASE**

### **DESCRIPTION**

A powerful yet safe multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap. This acid replacement was developed to meet the needs and demands of the marketplace for safety without compromising cleaning performance.

**NOTE:** This product should not be used on marble. Test on an inconspicuous area before using.

### **DIRECTIONS**

Spray foam on surface to be cleaned or apply with damp sponge or cloth. Allow this product to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Wipe with cloth, sponge or swab, and rinse thoroughly with clean water. Spot check on an inconspicuous area first.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

**REMOVES:** Rust, Calcium (hard water scale), Soap Scum, Lime, Grease, Beer Stone, Milk Stone, Scuff Marks, Stains, Soils, Discoloration.

**FROM SURFACES:** Stainless Steel, Copper, Brass, Aluminum, Concrete, Ceramic, Stone, Porcelain, Brick, Fiberglass, Grouting.

**BUILDING MAINTENANCE:** Floor and Walls, Air Conditioning Units, Humidifiers, Vending Machines, Ice Machines, Machinery, Tools & Equipment.

*Read the Material Safety Data Sheet before using.*

**Made in the U.S.A.**
