

## TEK WASH

### Product Highlights

This specialty electronic component solvent is designed for use on the most delicate components.

**TEK WASH** will clean, restore, and protect parts and components to enhance conductivity and performance.

### DESIGNED TO BE USED ON:

- MWD Components
- Circuit Boards
- Internal Components of Electronic or Precision Equipment

**P.I.N. I-120**  
**ENCORE INDUSTRIAL PRODUCTS, LLC**

P.O. Box 941119  
 Houston, TX 77094  
 281-944-4777

or  
 1-877-703-3044

**KEEP OUT OF REACH OF CHILDREN**

MANTENER FUERA DEL ALCANCE DE LOS NIÑOS

### DANGER:

See side panel for additional precautions  
 Ver panel lateral para tomar precauciones adicionales

NET WT. 317 LBS (55 us Gal)

## Directions For Use

- STEP 1. Spray at 6-8 inches – floats dirt and other harmful elements away instantly.
- STEP 2. Pre-test on small area before using. May be harmful on some plastics.
- STEP 3. Disconnect all power and be sure components are completely de-energized.
- STEP 4. Spray Tek Wash until surface area is clean. Allow product to run off. Wipe dry with an Encore Industrial Commando Wipe or air dry.
- STEP 5. Before re-energizing equipment, allow to completely dry and ventilate. Do not apply to energized equipment.

## Precautions

**DANGER:** Contains Heptane (CAS#142-82-5). Do not spray near heat, sparks or open flame. If swallowed, do not induce vomiting. CALL A PHYSICIAN IMMEDIATELY. Use with adequate ventilation. Avoid breathing spray mist and vapor of the contents may be harmful or FATAL. Avoid frequent or prolonged contact with skin and eyes. For skin contact, wash with soap and water. Provide oxygen or fresh air if overcome by vapor. If swallowed can enter lungs and cause damage. Affects central nervous system. Keep container closed.

Do not cut, braze, weld or solder on or near this container

Read Material Safety Data Sheet before using.

Made in U.S.A.

### FOR PROFESSIONAL USE ONLY

HMIS RATING:

Health	1
Flammability	4
Reactivity	0
Personal Protection	B
