

Express Strip Max is an aggressive floor finish, re-emulsifier and extra heavy duty stripper. Designed for use in heavy build-up areas that have been hardened by high speed burnishing, **Express Strip Max** can be used with either machine scrubbing, or mop on, vacuum off techniques. **Express Strip Max** quickly and effectively penetrates and liquefies multiple coats of burnished finish from vinyl, vinyl composition, linoleum, rubber, cork, marble, ceramic, quarry tile and concrete. **Express Strip Max** is the ideal product for the removal of acrylic and urethane containing water-based seals. **Express Strip Max** is also an extremely effective degreaser for removing heavy protein soils, fat, and petroleum based oils and grease from any flooring surface.

ALWAYS WEAR RUBBER GLOVES AND EYE PROTECTION WHEN HANDLING THIS PRODUCT. USE IN WELL VENTILATED AREAS.

Approximate dilution: 1:5 for normal stripping and 1:1 or 1:2 for heavy build-ups. For auto scrubbers, dilute 1:10. **Dilute using HOT water.** Thoroughly wet the floor with stripping solution and spread with a clean mop. Allow the solution to remain on the floor for 4-5 minutes. Leave surface very wet. Re-mop to agitate liquid on floor. Allow 3 minutes before vacuuming up with a wet vac. (While using a wet vac is advised, may also be mopped off the floor.) Allow floor to dry. No rinsing is necessary—all solution will evaporate. Remove any solution remaining around baseboards with a mop. Make sure the floor is completely dried before re-coating with finish.

P.I.N. F-105

Super-Concentrated Labor Saving

No-Rinse Floor Stripper

Over 50% Active Formula

CAUTION: WET FLOOR MAY BE EXTREMELY SLIPPERY. DIRECT PEDIESTRIAN TRAFFIC AWAY FROM WET FLOOR. PRE-TEST STRIPPER ON A SMALL AREA BEFORE STRIPPING ENTIRE FLOOR TO DETERMINE APPROPRIATE USE-DILUTION FOR YOUR NEEDS.

NET CONTENTS: 5 Gallons 55 Gallons

UN2491 Ethanolamine Solution, 8, PG III

EXPRESS STRIP MAX AMAZING VAPORIZING LIQUIFIER

FOR INSTITUTIONAL & COMMERCIAL USE. DO NOT USE ON WOOD OR PAINTED SURFACES, LINOLEUM OR RUBBERTILE FLOORS.

DANGER
Causes severe skin burns
and eye damage

PRECAUTIONS

Do not breathe vapours, spray, mist. Wash hands thoroughly after handling. Wear eye protection, protective gloves. Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container to an approved waste disposal plant.

FIRST AID

After inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
