### FIRST AID

If Inhaled: Allow breathing of fresh air. Allow the victim to rest. If On Skin: Wash with plenty of soap and water. Wash contaminated clothing before reuse. If Skin Irritation Occurs: Get immediate medical advice/attention. Specific aid treatment (see First Aid measures on this label). If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. If Ingested: Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.

### Precautions For Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Obtain special instructions before use. Do not handle until safety precautions have been read and understood.

For emergencies, call Chem Tel: 1-800-255-3924
