SWAMP CLEAN

Product Highlights

SWAMP CLEAN WIPES are ideal for any cleaning application. These specialized wipes are made from an exclusive ultra soft cloth to keep your skin soft and smooth with every use. Enriched with proprietary cleaning agents that perform all the dirty work.

The super absorbent wipes are made from an OLEOPHILIC material that bonds dirt, oil and grease to the wipe instead of re-distributing the soil back on the user's hands.

Now GATOR HANDS are a thing of the past. **SWAMP CLEAN WIPES** are enriched with emollients and conditioners to make sure your hands will be soft and supple.
