

# NINJA STRIP

## PAIN & GASKET REMOVER

**INDUSTRIAL GRADE PAINT STRIPPER**  
**STRIPS VARNISH AND ADHESIVES**  
**REMOVES GASKETS AND CEMENT ON ENGINES**  
**CLINGING GEL PROVIDES EXTENDED DWELL TIME**

***NINJA STRIP** takes the removal of paint, gasket, varnish, and adhesive to the next level. Simply spray **NINJA STRIP** on the surface to be stripped and let the product do **ALL THE WORK**. The longer the product dwells on the area to be stripped clean, the deeper it penetrates and breaks down the material to be removed. Perfect for any industrial application.*
